**INVESTIGATIVE FILE CERTIFICATION**

Defendant: Javonte Lejuene

Agency Case No.: 2022100333

I HERBY CERTIFY that I am "lead investigator" or "case agent" with regard to the referenced matter. As such, I further certify that the files, reports, and other materials which I am this date submitting to the District Attorney's Office for prosecution represent all of the materials disclosed, discovered, and/or generated by the law enforcement agency which I represent and/or any other agency which was involved in the investigation of the incidents upon which this matter is premised. Furthermore, I certify that I do not have any knowledge of any other investigative data, except for possible crime lab reports and/or autopsy reports which remain outstanding and/or other forensic analysis which may not have been completed.

Moreover, I have been advised by the District Attorney's Office of the obligation of all agents acting on behalf of the State of Louisiana in this matter to disclose the existence of all "exculpatory evidence" which is evidence or information which either tends to negate the guilt of the accused or that which mitigates the severity of the offense(s) which is/are the object of this matter, and this obligation is a continuing obligation. As such, I specifically certify that all such exculpatory information and all other investigative material and information is contained within the investigative materials this date being submitted to the District Attorney's Office.

I further acknowledge that the failure to submit a complete investigative file may have an adverse effect on the outcome of this case and/or may result in prosecution being declined.
