Detective Ben Adams Notes:

10/28/22 I Detective Ben Adams received a call from the Catahoula Parish Sheriff's Office dispatcher in reference to a fatal stabbing at the Catahoula Correctional Facility. I advised dispatch I would be en-route to the facility. I then received a call from Chief Detective Eldred "Bubba" Roy stating that he and Det. Gary Vines would be responding to the prison as well.

Upon my arrival, I entered through the main entrance door accompanied by Lt. Prince who escorted me and Det. Vines through the facility to the J-Dorm area.

Asst. Warden Eric Stott, Captain Patti Stott, Major Dennis Wascom, Lt. Trevor Mitchell, and a female Northeast La. Ambulance Service employee (EMT), was standing near a body on the ground, as I walked up to them I asked the NELA employee if they had ran an ECG strip on the victim? She replied that they did run a strip, and had given it to the Coroner Mr. Raymond.
